If you are looking for just a state-of-the-art medical billing solution, or an entire office solution, **TCXMED** is the package for you!

- Paperless Office
- Electronic Billing to ALL Insurance Companies
- Electronic Billing to Patients
- Accepting Patient Payments On-line
- Appointment Reminders
- Integrated Electronic Medical Records
- Integrated Lab Corp Information
- Integrated Electronic Prescription
- Local and Secured Remote Backup
- Internet Access from Anywhere

It's all available with **TCXMED**!

Electronic Prescription

TCXMED has the solution to your e-prescribing needs. Our integrated EMR system includes e-prescribing! For a low monthly fee per physician, you could be receiving all the benefits e-prescribing will bring to your practice. Call our office today for more information.

Protect Your Data

Make sure you have a good backup copy of your data after each data entry session. Legacy software users must insure that the backup is completing properly without errors, and that backup cartridges are stored in a different location. **TCXMED** users can have their backup automatically performed in the middle of the night to a secondary hard drive within the server, AND to a secured remote location through the Internet using Tele Comm's "**Back'n'Go**" service. This service not only backups up the data but can be used as an accessible data base should there be a

Say Goodbye to Medicare Dial Up Say Hello to Eligibility Checking

For approximately \$1 a day, your office can be billing ALL electronic claims to ALL electronic insurance companies AND check Medicare eligibility on line through the Internet. With the **TCXMED** software and our new "**Two-For-All**" claim processing center setup, billing claims has never been easier. That's right, no more paper, forms, ink cartridges, phone lines, modems, envelopes, stamps, lost mail, or labor. And what about those pesky claims that have to be sent on paper? They can also be also be sent through the Internet to the claims processing center where they will be printed and mailed for less money than the cost of a postage stamp!

5 Months to Paperless

Just as **TCXMED** can eliminate paper from your medical billing operation, Tele Comm is eliminating paper from our accounting operation. All Tele Comm invoices will be sent by email starting January 1, 2009. If you have already received an email invoice from us, you have seen just how simple it is to pay the invoice and to review your account on line. It's easy, it's fun, and you can earn points on your credit card every time you pay a bill. It is truly a Win Win situation! And remember, if you do not already have an email address, call us and we will help you get one for free. If for any reason you will not be able to receive email invoices by January 1, 2009, please contact Tiffany immediately at 951-688-8100 to make special arrangements.

Tele Comm...**GREENER** every day

Our transition to total **GREEN** is on target for **January 1, 2009**. We currently have a paperless invoicing and payment system in place, and all correspondence from Tele Comm, including the Tele Comm Times, is quickly moving to email. If you need assistance setting up an email account, call us and we can help. We are encouraging ALL offices to **GO GREEN** with their billing system, and the **TCXMED** application can help you achieve that goal. Call us today for more information.
