

COMPUTER WORKSTATION PRICE LIST

All prices and specifications subject to change without notice

Computers sold by Tele Comm are assembled in the United States with the best components from the finest manufacturers. Every effort is made to purchase components manufactured in the United States. They are designed to last and to keep down time to an absolute minimum. Standard Computers are economical workstations. Standard and Premium Computers are high quality computers packaged in a micro ATX case which can be placed under or on top of a desk. Premium Computers include advanced processors and motherboards, large RAM, and high capacity hard drives in a redundant configuration.

PREMIUM COMPUTER \$1,599.00
